

## KENTUCKY NEIGHBORS.

Morehead, Ky., Dec. 5.—Rowan county is to have a series of Farmers' Chautauques, and will be the first of the mountain counties to take hold of this movement. It was planned to hold these Chautauques during the past autumn, but Madison county secured much of the talent first, and it was then decided to wait until this season when roads were better. Talent is now being engaged and plans made to have these Chautauques in the early summer and to close with Home-coming week and Greater Rowan County Convention.

Mystery surrounds the sudden death at Fullerton, Ky., last night of Floyd Cline, aged 18, a son of Ed Cline, an employee of the Harbison-Walker company, of this city. The boy was found unconscious in bed yesterday morning and remained in that condition until the end. Dr. J. B. Nichols, the attending physician, when called to examine the boy found he was developing typhoid fever or la grippe, and later acute nephritis set in, while the immediate cause of death was uraemic poisoning.

Never before in the history of the Twenty-third judicial district, made up of Breathitt, Lee, and Estill counties, was there such a close race for Circuit Judge as that at the recent election between Judge Hugh Riddell, Democrat, of Estill, and Judge J. P. Adams, Republican, of Lee. Judge Adams went to Breathitt county with ten majority, but Breathitt gave Riddell a majority of 87, making the latter's net majority in the district only 77. Irregularities in Breathitt and Estill county precincts, delayed the official count for weeks, and caused court proceedings to be invoked before the result was declared.

Millie Tillet, aged 24, daughter of W. H. Tillet, was burned to death Wednesday at Quiney, in Greenup county. The young lady's clothing caught fire, and she hurriedly ran from the house to the home of her sister, some distance away. On the way she was compelled to cross the same creek three times. She was horribly burned and died a few hours later in terrible agony.

Winchester is all stirred up because a negro who was elected as Councilman in one of the wards has qualified by taking the oath of office before a Notary Public, and is expected to claim his prerogative at the first meeting of the new city council to-night. It is hinted that steps may be taken to prevent the seating of the colored "city father," as the rest of the members resent the idea of serving with a negro. For many years Shelbyville had a negro Councilman—in fact, until he was legislated out of office. Harrodsburg also has had a negro Councilman, sometimes two of them. W. S. K.

Ira Perkins, or as he was better known, "Ira Howard," aged twenty-five years and single, was run over by a freight train near 10th street this morning a few minutes after midnight and so badly injured that he died almost instantly. His neck was broken, his chest was crushed, his right leg broken and his left leg ground off below the knee. Perkins, together with Wm. McCoy, Chas. Gillett and Kirk Kasee boarded a westbound freight train near the C. and O. passenger depot and when they were between 9th and 10th streets, they jumped off. All escaped injury except Perkins, who jumped directly in front of extra No. 745, eastbound freight.

## GEORGIANS PRAISING STRANGE NEW LIQUID

People Who Suffered For Years And Who Never Expected to Get Well Are Fast Recovering and Whole State Is Interested.

So great has been the success of the famous new Root Juice medicine in Atlanta and elsewhere the people all over the state have become interested and reports of remarkable experiences are beginning to come from all directions.

Among the latest and most remarkable cases that have been brought to light is that of Mrs. E. Storma, well known resident of Marietta, Ga., who has for over six years suffered from stomach and kidney trouble and whom it is said eight doctors and a number of different medicines failed to cure. In speaking of her strange experience with the Root Juice treatment, Mrs. Storma said: "My appetite was poor my food would not digest and I suffered frightfully. Gas would form in my stomach and cause belching. Sometimes I would become sick at the stomach and frequently suffered from backaches. I had severe backaches and pains over my kidneys. I was weak, run-down and nervous and at times I could not sleep. When I began to hear so much about the new Root Juice treatment I decided to try it and now, after using only two bottles, I find myself greatly benefited. I am beginning to feel fine. For the first time in four years I am able to work about the house. I certainly do not regret any money I spent for this great medicine for two bottles used I have done more for me than all the doctors and medicines I tried in eight years.

Another remarkable case is that of Mr. Joseph Bradner, of Jackson, Ga., whose signed statement says that after using two bottles of the juice, rheumatism left him, the swelling disappeared and he feels better than for years.

Reports similar to these coming from all parts of the state seem to prove beyond all doubt that the new medicine is effecting wonderful results in cases of impure blood, rheumatism, weak kidneys, backache, headaches, nervousness, indigestion, belching, loss of appetite, pains after meals and other symptoms of weak or disordered stomach, liver, kidneys or bowels.

It can now be obtained at any good drug store and in view of the great benefits hundreds of sufferers are deriving every day it would seem advisable for home people who seek a speedy cure to give it a thorough trial.

## PRINCESS.

Ira Perkins, well known in Lawrence county, at Hood, Webbville and other points, was run down by a C. and O. train in Ashland last Friday night and killed. The body being so badly mangled that it was almost impossible to identify it. The sad news reached Lon Hall at this place early Saturday morning. Mr. Hall being the step father of the boy, went immediately to the scene, claimed the body and brought it home with him. The burial took place at Coalton Sunday.

W. M. Sennett, who has for some time been at work at Kewanee in the mines, was the victim of a heavy slate fall some days ago. He was crushed to death instantly. His body was brought here for burial, as this was his home in boyhood. His parents and several brothers and sisters live here.

James P. Withrow, who has been serving many months here as day watchman in the tunnel at this place, while fooling with an old pistol, which was not loaded of course, last Sunday morning accidentally shot himself, the ball taking effect in his left thigh, while the wound is quite painful and Mr. Withrow will be off duty several days, possibly weeks.

J. C. Sweet has resigned his position as blacksmith for the Big Run Coal company, moving to Ashland, having purchased property there and will enter business for himself.
